We always update our customers from their enquiry to delivery of goods. Our all products comply with European standards of health and safety.

FOUNDER & CEO

Muhammad Afzal (Founder) initiated to make Scissors and Razor Knives for Royal Army. He was very skilled in Forging, filing and masters in Polishing and sharpening. Became well known for the SHAVING KNIVES and SCISSORS and kept on doing the job up to the complete satisfaction. As He had a vision for future also, He started to think of the forgings to speed up the production and started forging hammers to get the faster results for the forging production of huge quantities along with hand-made forgings.

Zaighum Hassan Bhatti took over the company's responsibilities with a vision to take the company from domestic business to the international market with the expansion of product range from only scissors and shaving knives to complete pedicure and manicure products, His Export Oriented behavior made him to make good relations with international buyers, He had quite a bright view about the requirements of the upcoming generation so he adopted the latest **CNC** machines to equip the production units of factory, All of the trimming Scissors are being produced on CNC machines to get **100% precision** and **durability** of our instruments.
